

Howdy,

Tryouts for the MBHS Swim & Dive Team 2015-16 school year will occur the first week of school from 3:30-5:00pm at the MISD Natatorium located on MHS campus. There will be a bus provided to all students leaving at 3:00pm each day. Parents will need to pick up athletes after tryouts each day at MHS.

Those wanting to participate need to have their physical form turned into the Athletic Training office by the first day. Failure to do so could limit a child's ability to tryout for the team and hinder their possibility of making varsity.

All students who are proficient swimmers will make the team. It is not a learn-to-swim class but we do seek to be inclusive while not distracting from team training goals.

The top 16 males and top 16 females will make the varsity team. All others will be placed on the JV team. The Dive team will not hold tryouts. All divers eager to learn will be placed in the dive class period.

JV swimmers must have learned a legal 100yds in all four competitive strokes before the end of the fall semester. Dive swimmers must learn the minimum 6 competition dives for meets before the end of the fall semester. Failure to do so will result in removal from the class team.

Tryouts for Varsity will consist of several sets over the course of a week. We will place a heavy emphasis on technique, kick, endurance, and understanding of drills for all four strokes.

Any questions can be sent to me via email at mfosheim@mckinneyisd.net.

Sincerely,

Matthew Fosheim

Head Coach McKinney Boyd Swim & Dive
