

Volleyball Game Day Meals Program

Dear Parents:

Congratulations to you and your athlete for being a part of the Evans Panthers Athletic Teams. On game days, athletes will not have a chance to leave school to eat prior to the games but you will be able to take a meal to them after school if you wish. We do however; understand this is not possible for all the parents, so the Athletic Booster Club will be offering meals for purchase for each game.

A meal will be provided for each athlete who has returned this form and has prepaid for the meals. The meals will vary from MISD approved vendors. This season we plan to use Subway, Jason's Deli, McAllister's, Jersey Mikes, and Firehouse Subs. The meals are comprised of a sandwich (turkey or ham), chips, a cookie and a bottle of water. The cost of each meal is \$7.00. **The total cost for the full season is \$63.00 (9 games). You can pay for the full season or each week but please note – if you pay weekly, we MUST have your payment no later than Wednesday each week or a meal will not be ordered.**

Our goal of providing this program is to give the athletes something relatively nutritious so they will have the energy to get through their game. Although this is being offered by the Athletic Boosters, there is no profit made on this program and participation is not required. This is a service we are providing to you and your child as an attempt to make it convenient for you and your family.

If you have any questions, please contact Beth Drennan at bcdrennan@yahoo.com.

Please fill out the following form below and return it to the coach or to the front office with payment as soon as possible.
